## "I CAN, AND I DO"-

Frequently you have heard it said, "I can," but seldom do you hear "I can, and I do." For a striking example of the latter observe:

Having had occasion to run several advertisements under the felp Wanted Classification in The New York Herald for executive and accretisarial help. I found the results very satisfactory rom every point of view.

All applicants were of a superior type, which enabled me to fill very position with success. position with success.

an, and I do, highly recommend your publication to anyone mg to advertise under the above classification.

Very truly yours.
